AZZURA

William Yeoward Crystal is proud to introduce their new collection AZZURA, fully hand made in clear crystal overlaid with sky blue crystal colour.

Each piece has been hand cut by a highly skilled craftsman, the design incorporating circular mirror cuts and vertical prism cuts that reflect and refract the light, the whole presenting an intriguing optical effect.

No two pieces are identical, each one is an individual example of the crystal maker's finest craftsmanship.

This is a Limited Edition Collection, with 75 examples of each piece available worldwide.
